The **Patient Care Technician Program** is designed to prepare students with basic entry-level courses in health care in order to provide safe, direct care for clients in a variety of health care settings. The successful candidate has the option to achieve certification in CPR, Nurse Aide, Phlebotomy, EKG, Electronic Health Records, Billing & Coding, Patient Care Technician, Medical Administrative Assistant, and Clinical Medical Assistant. Testing is provided by The National Healthcareer™ Association and is optional. *The PCT program provides the pre-requisite support courses for the Practical Nursing Program.*

The program is 9 months in length (August through May) and is full-time.

The program is divided into 4 quarters:
-Quarter I: Learning Strategies, TRCC Com Tech, Medical Terminology, Microsoft Word, CPR/First Aid
-Quarter II: Nurse Aide, Electronic Health Records, Microsoft PowerPoint, Anatomy and Physiology
-Quarter III: Microsoft Excel, Medical Coding, EKG, Phlebotomy
-Quarter IV: Medical Billing, Health Care Skills/Pharmacology, Externship, Resume

Total Program Hours = 718
