Except as provided in ORC 331939(B)(1), no school district may hire a person for one of these positions if that person has been convicted of/or pleaded guilty to certain offenses listed in Senate Bill38, as reported by BCII. (Such offenses include: 1) any felony; 2) any drug offense that is not a minor misdemeanor; 3) any offense of violence; 4) any theft offense; 5) corruption of a minor; 6) sexual imposition; 7) importuning; 8) any substantively comparable offense of a municipal corporation.) Nor may a school district hire any person who refuses to submit to a criminal records check.

A school district is authorized to conditionally employ a person pending outcome of that person's BCII and FBI background check. If the results of the background check indicate that the person is not eligible for the position in which he or she is employed, the school district must release the person from employment.
