

College Credit PLUS

Steps for College Credit Plus

Step 1: Complete a College credit plus information/guidance session. Complete the letter of Intent form and return to Tri-Rivers School Counselor and Mrs. Allisun Lauthers, alauthers@tririvers.com

Step 2: Students must be “eligible” for College Credit Plus participation based on assessment exam scores OR have a cumulative GPA of 3.0. If students are wanting to enroll in a Composition or Statistics course there are additional testing and requirements.

Step 3: College Admission

- Students must apply for admission
- Marion Technical College Application <https://www.mtc.edu/future-students/college-credit-plus/ccp-admission-steps/>
- Columbus State Community College Application <https://www.csc.edu/admissions/ccp-app.shtml>
- Contact the college to learn about their requirements, processes, paperwork, and deadlines
Colleges have the final decision on student admission

Step 4: Course Registration

If the student is considered eligible and has been admitted to the college, then the college will discuss course options with the student, based on assessment scores, prerequisites, and other requirements.

Contact Mrs. Lauthers if you need assistance or have questions.
