New for this
school year!

Dear Tri-Rivers Parent/Guardian,

We are very excited to announce that Tri-River's Career Center has collaborated with FinalForms, an online forms and data management service. FinalForms allows you to complete and sign student forms electronically for the upcoming school year. The most exciting news is that FinalForms saves data from year-to-year, meaning that you will never need to enter the same information twice! FinalForms also pre-populates information wherever possible, for each of your students, saving you time.

You may review your data at any time to verify it is current. You will be required to sign your forms once per year and after any update.

Click on the Parent Portal (see icon to the right) and create your new account to get started in FinalForms. If you require any support during the process, scroll to the page bottom and click "Use Support." You will also be receiving an account confirmation in your email with instructions from finalforms.

We are asking that ALL parents/guardians of Tri-Rivers students to use FinalForms as our data management system moving forward. Parents must initially set up the account.

Please register at <https://tririvers-oh.finalforms.com/>

Follow the prompts to create your account, create your students account and sign your forms.

★ ★ ★ *It is very IMPORTANT that when parents "add a new student" parents know to use their child's Tri-Rivers email! ie: 21jdoe@mytririvers.org (Graduation year, first initial of first name, and entire last name @mytririvers.org).*

Thank you for your assistance in streamlining paperwork and helping to preserve the environment.
