

WELDING, FABRICATION & ALLIED PROCESSES

Tri-Rivers Career Center Adult Education

Welding is one of the few career choices that is in high demand at all times. Since welders are needed in almost every industry, it gives them the flexibility to switch industries without changing careers. Let's face the facts; most career choices have ups and downs. Welding on the other hand has endless opportunities that keep fueling the demand.

Welders can find careers in inspection, engineering, robotics education, project management and sales.

Programs offered at Tri-Rivers include:

- Welding, Fabrication & Allied Processes
